An Assistant Professor position in Clinical Analytical Sciences at Kanazawa University, Japan.

The School of Pharmaceutical Sciences at Kanazawa University strives to enhance education and research in pharmacy. To strengthen the research organization promoting the research project "Sustainable Chemistry Research" listed in the pharmaceutical field, we invite applications for one position as an Assistant Professor in the area of Clinical Analytical Sciences according to the following guidelines.

1. Position
   Assistant Professor, 5-year term of contract and renewal requires Reappointment Review.
   Examination Matters in making decision on the approval for reappointment
   • Educational activity status and activity of research guidance for students.
   • Research activity, such as publications and conference presentations.

2. Job description
   (1) Education
   Lectures of general education courses of bachelor's programs. Lectures, seminars, practical training, and graduation research at School of Pharmacy, School of Pharmaceutical Sciences, and School of Medical and Pharmaceutical Sciences (scheduled to be established in April 2021). Specialized education and research guidance for students at Graduate School of Medical Sciences. You may be required to teach classes in English.

   (2) Research
   Basic and applied research based on development of molecular probes for diagnosis and therapy of various diseases.

3. Scheduled starting date of employment
   As early as possible after October 1st, 2021

4. Qualification requirements
   • Applicant must have a doctoral degree.
   • Applicant has to have enough experience in the field of molecular probe development and be able to promote high-level education and research.
   • Applicant should be passionate about teaching at the undergraduate and graduate (master’s and doctoral) levels.

5. Required documents (1 copy each)
   (1) Curriculum vitae (A4 or US letter size with an attached photo and showing e-mail address and academic society you belong to).
(2) Summary of previous research (free format within 2 pages of A4 or US letter size).
(3) Plan and commitment to education in pharmaceutical sciences and research (free format within 2 pages of A4 or US letter size).
(4) Achievement list (A4 or US letter size)
   • Publications: Classify them into original papers, reviews, books, and list them in order of publication year (Mark the original papers for which reprints are to be submitted.). List the names of all co-authors in the order of publication, underline the applicant, and put a star mark on the corresponding author. For reference, the number of citations and the latest Impact Factor of the published journal should be added, and if paper is not peer-reviewed, please indicate that.
   • Conference presentations: List only invited lectures at academic conferences, symposiums, etc. in chronological order.
   • Acquisition status of research funds: Divide the research funds obtained over the past 10 years into the following categories: Grant-in-Aid for Scientific Research (KAKENHI), grants for public research other than KAKENHI, and research funds by companies and foundations, etc. List the funding name, name of the research project, duration, and grant amount. Also, clearly state the principle investigator or co-investigators.
(5) Reprints or copies of 5 most significant research articles (photocopies are acceptable).
(6) The names, affiliations, addresses, phone numbers, and email addresses of two referees.

Applicants may be asked to come to Kanazawa University for interviews. Applicants must bear the expenses incurred in that case. Submitted documents such as CV will not be returned. Personal information is protected by the relevant Japanese law.

6. Deadline for application
   Documents must arrive by 5:00 p.m. (JST) on Thursday, May 20th, 2021.

7. Mailing address for submitting the application
   All the materials for the application should be sent to Prof. Tsukasa Matsunaga, Dean, School of Pharmacy, Institute of Medical, Pharmaceutical and Health Sciences, Kanazawa University
   Kakuma-machi, Kanazawa, Ishikawa 920-1192, Japan
   Tel & Fax: +81-(0)76-234-4487, E-mail: matsukas@p.kanazawa-u.ac.jp

   The document should be sent with the red mark "Application to an Associate Professor position at Clinical Analytical Sciences" on an envelope.

8. Contact information
   Prof. Kazuma Ogawa, Institute for Frontier Science Initiative, Kanazawa University Kakuma-machi, Kanazawa 920-1192, Japan
9. Others

*Kanazawa University is working to improve faculty members’ teaching skills in English and strengthen English education on the premise of increasing the number of subjects offered in English.
