

Guidelines for Applicants for October 2023 Entrance Division of Pharmaceutical Sciences

**Master's Level Section of Integrated Course
(Two-year Course)**

(Admission for International Students)

**Graduate School of Medical Sciences,
Kanazawa University**

Application Procedures and Admission Schedule

Items	Date
The period of application qualification screening (for those requiring a preliminary screening)	From Tuesday, June 27 to 5:00 p.m. Friday, June 30, 2023
Application period	From Friday, July 14 to 5:00 p.m. Thursday, July 20, 2023
Printing out of admission examination card	From Tuesday, August 8, 2023 to Thursday, August 24
Examination date	Thursday, August 24, 2023
Announcement of result	Around 5:00 p.m. Friday, September 8, 2023
Enrollment procedures	September, 2023
Entrance	October, 2023

Kanazawa University only accepts applications online.

Please refer to “How to apply and address” in the section VII” Application Procedures” on the page 6 for details.

“For applicants who are victims of natural disasters”

To reduce the financial burden on victims from natural disasters and provide the opportunity for their further education. Kanazawa University adopts a measure to waive entrance examination fee. Please visit the following Kanazawa University website for details, such as applicable disasters and disaster-hit areas.

*This target is disasters in Japan only.

Kanazawa University website>Admission>Special site for examinees

<https://examination.w3.kanazawa-u.ac.jp/admission/>

If you would like to have your admission examination fee waived, please contact Admission Division, Student Affairs Department.

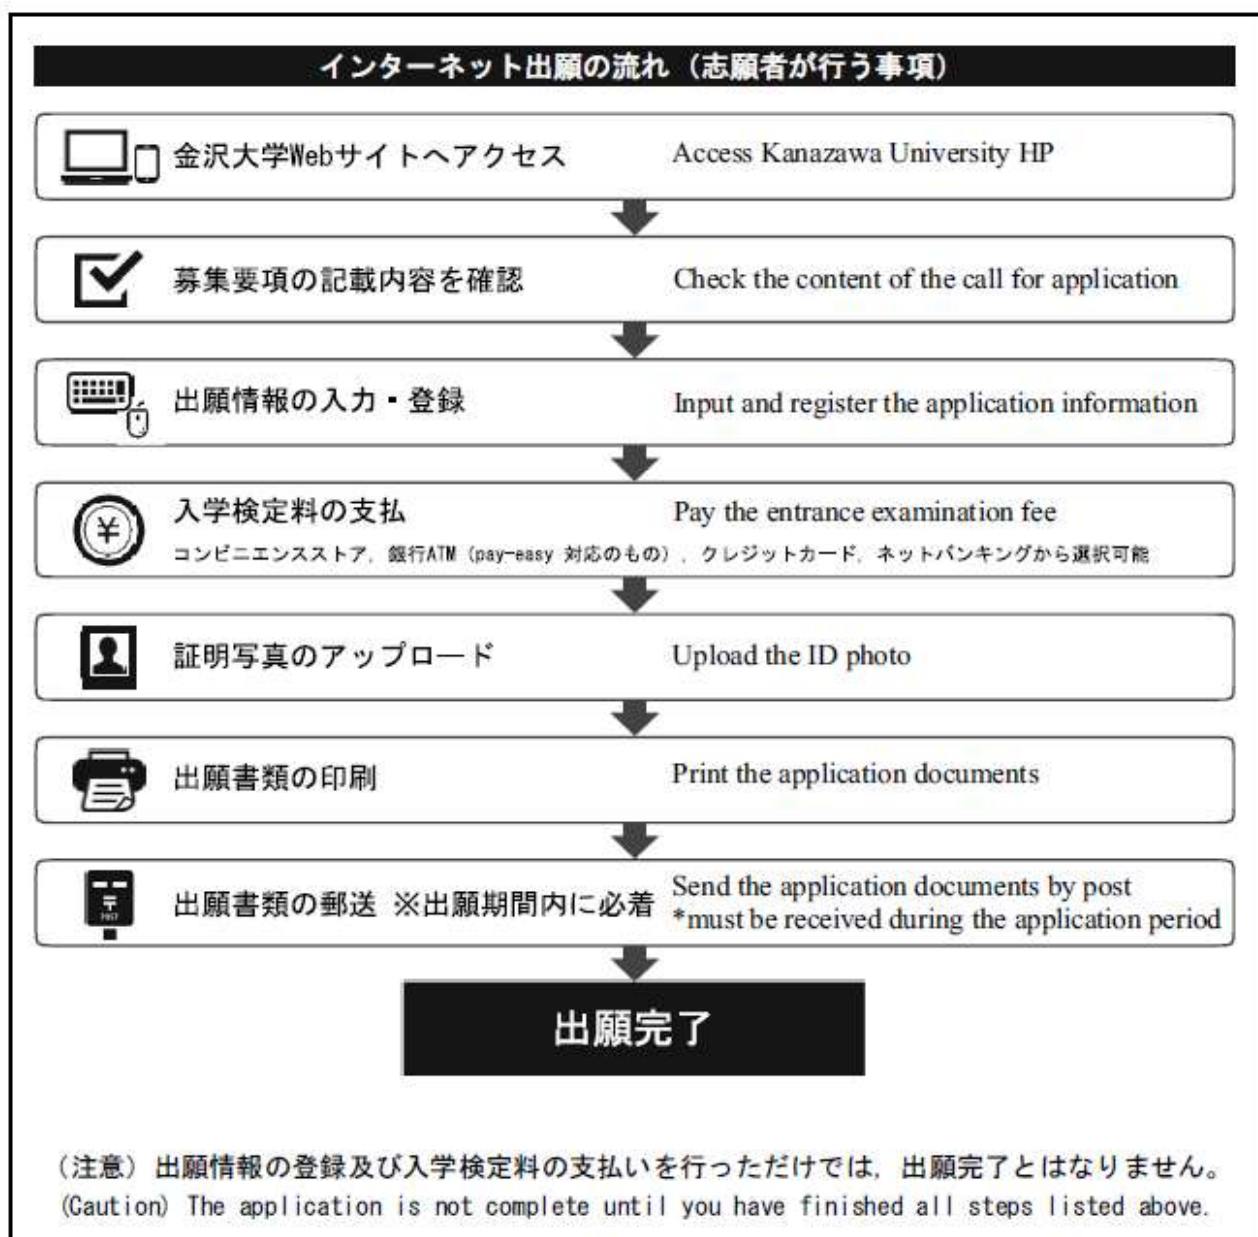

E-mail : nyushi-kafuku@adm.kanazawa-u.ac.jp

(Note)

The applicant is responsible for confirming all information regarding the admission examination by reading the application guideline to which you will apply.

How to Apply [Online Application]

Kanazawa University only accepts applications online.

《Online application》

Please refer to Kanazawa University HP for the details of online application.

Kanazawa University (Application Information) Web Site

https://www.kanazawa-u.ac.jp/admission/admission-information/internet_entry

《Internet Application Test Page》

You can experience the internet application at the test page on Kanazawa University HP.

**Division of Pharmaceutical Sciences
(Master's Level Section of Integrated Course),
Graduate School of Medical Sciences,
Kanazawa University**

I . Admission Policy

This program aims to cultivate human resources who have extensive knowledges and research abilities from the basic to developmental in the field of pharmaceutical sciences, and who have international perspectives. The school cultivates excellent human resources who can contribute to general life sciences including Pharmaceutical Sciences through educations and basic researchers by seeing various physiologically active substances, such as drugs medicines, from chemical, physical, and biological aspects.

Specifically, the school cultivates Human Resources who play active roles as development researchers, academic researchers and MR in Pharmaceutical, chemical and food related company, researchers of public institutions, administrative officers in the area of medical care, public welfare, pharmaceutical affairs and environmental sciences.

Those who have high motivation and study the field of Pharmaceutical Science, Graduate School of Medical Sciences, and to actively engage in human resource development of the times while conducting world-leading advanced research as a teacher or researcher related to Pharmaceutical Science at national, public, or private universities in the future.

As basic policy on our selection of students, Division of Pharmaceutical Sciences accepts any students regardless of previous experience in an academic discipline if they have a higher level of academic ability (major field and English) and if they have strong motivation and qualification to succeed in general life sciences including Pharmaceutical Sciences in future.

II . Major Name and Admission Capacity

Division of Pharmaceutical Sciences: A few students
Granted degree: Master of Pharmaceutical Sciences

III . Types of Screening

1. Admission for international students

IV. Application Qualification

Contact your preferred academic supervisor before you apply. (See the contact list at the page 10 and 11)

Applicant must fall under any of the following criteria as of September 30, 2023.

- (1) A person who has graduated from university.
- (2) A person who has obtained a bachelor's degree in National Institution for Academic Degrees and Quality Enhancement of Higher education.
- (3) A person who has completed 16 years of academic education in a foreign country.
- (4) A person who has completed 16 years of academic education through a correspondence education provided by a foreign university.
- (5) A person who has obtained a degree equivalent to a bachelor's degree by completing the required education designated by the Ministry of Education, Culture, Sports, Science and Technology at educational institutes in Japan with a foreign graduate course education system.
- (6) A person who has been specially selected by Ministry of Education, Culture, Sports, Science and Technology.
- (7) A person who has completed or is expected to complete a postsecondary course at a specialized training college (with 4 years or more and fall under the criteria specified by the Minister of Education, Culture, Sports, Science and Technology) after the date specified by the Minister of Education, Culture, Sports, Science and Technology.
- (8) A person who fall under (a) to (c) below and has been recognized as having achieved excellent grades in completing credits prescribed by the graduate school.
 - a) A person who has completed 15 years of academic education in foreign country.
 - b) A person who has completed 15 years academic education at a foreign university that has been designated by the Minister of Education, Culture, Sports, Science and Technology.
 - c) A person who has completed 15 years academic education by taking correspondence course provided by a foreign school in Japan.
- (9) A person who will reach 22 years of age by September 30, 2023, and has been recognized as having academic ability equivalent or superior to that of a graduate degree by preliminary qualification screening at our graduate school.

Those who will apply under the criteria (8) and (9) must go through a preliminary screening before applying. Please refer to "Preliminary Screening of Application Qualification" on the page 9.

V. Required Documents

Note on submission of the required documents

- Please contact your preferred academic supervisor before you apply.
- Please check if all the documents are completed. The application documents with insufficient may not be acceptable.
- If incorrect information is included in the application documents, the admission may be canceled.
- Once the application documents were accepted, they will not be returned or changed for any reasons.

(1)	Transcript	Must be issued by the president or dean of the graduating school. *Note1,2
(2)	Graduation or completion (expected) certificate	Must be issued by the president or dean of the graduating school. Those who have submitted a transcript in (1) indicating completion (or expected completion) are not required to submit the certificate. *Note1,2,3
(3)	Application checking sheet (Submission sheet)	Please print out from “Entry Completion Page” in color and A4 size after you complete the online application, and submit. (NOTE) You cannot print out application checking sheet if you don't complete the payment for entrance examination fee and uploading your ID photo. Please don't mix up with application checking sheet (confirmation sheet).
(4)	Preferred laboratory[Form1]	Please print out the form on the page 12 in A4 sized paper filled out all the blank, “Preferred laboratory · supervisor” “. If you don't fill out “Second or Third Choice” in the form, we will regard you have no intension of that.
(5)	Other	International applicants who reside in Japan must submit a copy of both sides of the resident card or a copy of both sides of the alien registration card, and a copy of the passport (the pages indicating personal information such as full name and the latest visa).

***Note 1: Applicants who have completed (or expect to complete) a advanced course at a junior college or a advanced course at a technical college must submit certificates for both the advanced course and the main course. Applicants who have completed (or expect to complete) a course at a foreign school must submit a certificate in Japanese or English.**

***Note 2: If documents have a different name due to change in the family name (or change of first name), attach a document proving the change of name such as an extract of familyregister.**

***Note 3: If you apply under the criteria (2) of section IV “Application Qualification”, submit the certificate of degree issued by National Institution for Academic Degrees and Quality Enhancement of Higher education.**

VI. Application Period

From Friday, July 14 to 5:00 p.m. Thursday, July 20, 2023 (JST) (Entry must arrive by the deadline date)

Those who will apply under the criteria (8) and (9) of section IV “Application Qualification” must send the application documents by 5 p.m. Friday, June 30, 2023 and undergo a preliminary screening for application qualifications in advance. For more information, please refer to “Preliminary Screening of Application Qualification” on the page 9.

VII. Application Procedures

How to apply and address

Applicant will proceed with the online application system. It is possible to access the website from the information of the entrance examination in Kanazawa University.

https://www.kanazawa-u.ac.jp/admission/admission-information/internet_entry

Please refer to the application flow concerning each step in detail.

① Register application contents online

② Pay for the entrance examination fee

Entrance examination fee: 30,000 JPY (Additional bank transfer fee is required)

Period of payment: From Friday, July 14 to Thursday, July 20, 2023

Payment method: Payment is available in convenience store, ATM (Pay easy), credit card (VISA, MasterCard, JCB, AMERICAN EXPRESS, Diners Club), online bank (except for PayPay bank and Seven bank)

- Note
1. You cannot pay at bank counter.
 2. You cannot pay at bank ATMs in convenience stores.
 3. Name on the credit card or online bank doesn't have to be same as that of applicant.
 4. After accepting the application documents, the entrance examination fee will not be refunded for any reasons. However if you cancel the application after paying the entrance examination fee, it will be refundable. Please contact the responsible department as below by Thursday, August 31, 2023. In addition, it will be not accepted after the deadline.

Please refer to the website as below about the procedure to be refunded.

https://examination.w3.kanazawa-u.ac.jp/admission/kenteiryō_henkan/

③ Upload an ID photo

Please upload a photo image of an applicant from the URL indicated in e-mail for registration confirmation after you finish registration in online application and payment for the entrance examination fee.

A digital image of an ID photo must be identified as the applicant and must be as follows; color, upper body, unedited, uncapped, full-face, no background, taken within 3 months.

The size of image data must be more than 100 KB and less than 5MB, and the data format must be either JPEG or PNG.

④ Printing out the application documents.

Application checking sheet (Submission sheet)	Please print out from "Entry Completion Page" in color and A4 size after you complete the online application, and submit to us. (NOTE) You cannot print out application checking sheet if you don't complete the payment for the entrance examination fee and uploading your ID photo. Please don't mix up with application checking sheet (confirmation sheet).
Address label	Please paste an address label printed in color and A4 sized on an envelope for mail after you complete the online application. (A plain paper can be printed.)

⑤ Mail required documents

Please paste an address label as ④ on a commercially available square 2 [240mm × 332mm] envelope and send application documents to Kanazawa University by registered express mail

Application materials must be sent to the following:

**Pharmacy Student Affairs Section, Kanazawa University Kakuma-machi, Kanazawa
920-1192 JAPAN
Tel: (076)234-6983, 6827**

<Note>

Online application is not completed just by registering application information and paying for the entrance examination fee. It is completed if you upload ID photo and send required documents without failure by the deadline, 5:00 p.m. Thursday, July 20, 2023.

VIII. Printing out of Admission Examination Card

It will be possible to print out Admission Examination Card in online application system from Tuesday, August 8, 2023. Please log in “Application Confirmation” and print out in A4 size.

- (1) Admission Examination Card has the URL of the website you can check the notice to take the examination and information of examination place. Please be sure to access and check the information before taking the examination.
- (2) If you find the mistake in your name etc., please contact Pharmacy Student Affairs Section.
Contact:(076)234-6983, 6827
- (3) Please be sure to bring printed “Admission Examination Card” on the examination date.
- (4) Your examination number is required for admission procedures. Please keep “Admission Examination Card” until then.

IX. Selection Method

Applicants are made general judgement based on an oral exam and transcript.

Date	Time	Examination subject	Location
Thursday, August 24, 2023	10:00 a.m.	Oral exam	Natural Science Building in Kakuma Campus (Kakuma-machi, Kanazawa)

X. Announcement of Result

Around 5 p.m. Friday, September 8, 2023

The result will be posted on the bulletin board at the front entrance of the Natural Science and Technology Main Hall. Successful applicants will be notified by mail.

XI. Enrollment Procedures and Tuition

Admission procedures are proceeded through online system. Please refer to the “Enrollment procedures for graduate school” to be sent by the University until the middle of September.

- (1) Admission procedure period

The middle of September, 2023 (TBD)

- (2) Tuition payment etc.

Enrollment fee: 282,000 JPY (TBD)

Tuition fee (for second semester): 267,900 JPY (TBD)

(Note) The above payment amounts are tentative. If the fees are revised, they will be applicable at the time of enrollment or while students are enrolled.

XI. Miscellaneous

Handling Personal Information

Kanazawa University has established regulations on personal information management to properly manage and protect the information it holds.

All personal information that the University obtained during the candidate selection process and all personal information included in the documents submitted as in the enrollment process will be used for the following purposes:

- (1) Operations related to candidate selection and enrollment
- (2) Operations related to enrollment management, study instructions, and health management such as medical checkup after enrollment
- (3) Operations related to on-campus services such as the University's portal site, campus LAN, library, and borrowing books after enrollment
- (4) Operations related to academic support, such as enrollment fee waivers, tuition waivers, and the selection of scholarship recipients
- (5) Operations related to the payment of enrollment fee, tuition, and the operations of the financial institution to which the University outsources payment collection
- (6) Investigation and research related to candidate selection conducted in such a way that no particular individuals can be identified
- (7) Operations related to PR targeting students and their families, and related to fund (donation)
- (8) Operations related to outcome assessments for the graduates and those related to alumni relations, and the information services through Kanazawa University
- (9) Statistical work conducted in such a way that no particular individuals can be identified

Preliminary Screening of Application Qualification

Those who will apply under the criteria (8) or (9) of section IV “Application Qualification” must go through a Preliminary Screening before applying.

1. Required Documents

Documents	Remarks
Application Form for Preliminary Examination of Qualifications 【Form A】	The page 13 of this guideline
Research achievement record 【Form B】	The page 14 of this guideline
Certificate of Graduation or Certificate of Enrollment Period for the last educational background	Issued by the principal of the last educational background
Certificate of Period of Employment or Certificate of Period of Research	Issued by the head of department
Application documents	The documents other than (2) and (3) of the section “V. Required Documents” on the page 5 of this guideline

(Note)

Documents written in a foreign language except for English must attach Japanese or English translation.

We may ask you to submit other additional certificates etc., if necessary.

2. Mailing Address

Please submit by mail to the address below.

Pharmacy Student Affairs Section, Kanazawa University

Kakuma-machi, Kanazawa, 920-1192 JAPAN

Tel: (076)234-6983, 6827

Please mail by registered mail, and please write in red on the front of the envelope as below.

“Preliminary Screening for Application Qualifications for Graduate School of Medical Sciences, Division of Pharmaceutical Sciences, Master’s Level Section of Integrated Course”

3. Submission Period

From Tuesday, June 27 to 5:00 p.m. Friday, June 30, 2023

4. Method of Preliminary Screening and Announcement of the Result

In principle, the screening will be conducted by examining the submitted documents. If there are unclear points in the submitted documents, or if it is difficult to review the documents, an interview may be held. If an interview is given, the applicant will be notified separately.

The result of the examination will be notified by mail to the applicant by Thursday, July 13, 2023.

If approved, please apply online during the application period from Friday, July 14 to 5:00 p.m.

Thursday, July 20, 2023, please send (2) and (3) of the section “V. Required Document” on page 5 in this guideline.

Attachment: Research fields/teachers and research contents

Laboratories	Research contents	Academic Supervisors	
Human Molecular Genetics TEL 076-234-4487 E-mail matsukas@p.kanazawa-u.ac.jp	<ol style="list-style-type: none"> 1. Analysis of DNA repair mechanisms using chemical biology approaches 2.
